**APPLICATION AND PERMIT TO MOVE ORGANISMS
REGULATED BY THE STATE OF FLORIDA**

Page ____ of ____ THIS SECTION TO BE COMPLETED BY STATE OFFICIAL

Permit Number	☐ Approved ☐ Disapproved *If disapproved, see Notice of Administrative Hearing on Page 8.	Conditions *See Attached
Valid Until	Signature Title Date	

THIS SECTION TO BE COMPLETED BY APPLICANT

1. Renewal of Permit? ☐ Yes ☐ No If yes, indicate permit number	2. Name: Charlotte Web Business Name: Spider World Physical Address: 987 ZYX Avenue City, State Zip Code: Gainesville, FL 32611 3. Mailing Address: PO Box 2022 City, State Zip Code: Gainesville, FL 32611	Title: Owner					
4. Telephone No. 333-444-5555	5. Fax No. If applicable	6. Email Address Spiderworld@webmail.com					
7. I/We agree to comply with the stipulations of this agreement, and understand that a permit may be subject to other conditions specified. Signature of Applicant _____ Date _____							
8. Type of Organisms to be Moved ☒ Arthropods ☐ Plant Pathogens ☐ Nematodes ☐ Noxious Weeds ☐ Genetically Altered Organisms ☐ Biological Control Agents ☐ Other (Specify):							
Scientific Names of Organisms to be Moved	Classification (Order, Family, Other)	Life Stages	Number of Specimens	Shipped From	In U.S. Yes/No	Host Material Included	Approved (v)
9. Avicularia avicularia	Araneae, Theraphosidae	Immature	2	Alabama	☒ ☐	N/A	☒
10. Armadillidium vulgare	Isopoda, Armadillidiidae	Mature	1	Alabama	☒ ☐	N/A	☒
11. Phidippus regius	Araneae, Salticidae	Mature	6	Alabama	☒ ☐	N/A	☒
☒ In addition to the above listed organisms, additional organisms to be moved are listed starting at Line # 34							
12. Number of Shipments 1	13. Port of Arrival Driving to Gainesville	14. Approximate Date of Arrival or Interstate Movement June 30th 2022					
15. Destination/Location of Movement New Residence in Gainesville, FL	16. Method of Shipment ☐ Air ☐ Air Freight ☒ Auto ☐ Baggage	17. ☐ Other (Specify)					
18. Supplier No. 01 - Name & Address Feeder Frenzy - Atlanta, Georgia	19. Supplier No. 02 - Name & Address Tarantula Tower - Gainesville, Florida	20. Supplier No. 03 - Name & Address Centipede Center - Online					
21. General Purpose of Request (Be specific) Moving live invertebrates including scorpions, tarantulas and isopods to Gainesville, FL.							
22. Intended Use (Be specific) Plan to start selling invertebrates via online marketplaces, a physical storefront and expo events throughout the state.							
23. Methods to be Used to Prevent Organisms Escape (Be specific) Escape-proof containers with latching lids. Weekly inventory check. Any substrate to discard will be double-bagged.							

An approved permit will be accompanied with standard conditions to abide by Rule.

Please ensure a signature and date are present before submission.

If form fields do not relate to your scope, please use "N/A".

If form fields are space limiting and you have additional information to provide, you can indicate "see attached" and include separate supplemental material as needed.

Page ____ of ____ Permit Number _____

24. Method of Final Disposition of Organisms and Host Material (Accompanying materials and containers? (Be specific)) Any materials to be disposed (including substrate) will be frozen for 72 hours.							
25. Plant Pathogens or Nematodes – Indicate Why Indigenous Pathogens or Nematodes. If Present and/or Available. Would Not Serve the Purposes of the Investigation N/A							
26. Plant Pathogens or Nematodes – What Are the Benefits of the Introduction? N/A							
27. Plant Pathogens or Nematodes – What Are the Risks of the Introduction? N/A							
28. Plant Pathogens or Nematodes – Please Provide Pertinent Literature References or Reprints N/A							
29. List all personnel who will be involved with the project at this location. The individual listed on page 1, in item number 2 is responsible for the individual(s) listed below to be in compliance with this permit Project Assistant No. 01 _____ Project Assistant No. 02 _____ Project Assistant No. 03 _____ Project Assistant No. 04 _____ Project Assistant No. 05 _____ Project Assistant No. 06 _____ Project Assistant No. 07 _____							
30. Indicate Location of Work, and Briefly Describe the Test Facility and Methodology to be Used 987 ZYX Avenue, Gainesville FL, 32611. Home residence							
31. Indicate Sanitation Procedures to be Used to Contain Pathogen in the Test Area, and Security Measures to Prohibit Unauthorized Access to Pathogen to Test Site N/A							
32. Time Required for Completion of Project N/A	33. Will the organism be retained? ☒ Yes ☐ No If Yes, Where and Why? Personal hobby collection. Retained at residence in Gainesville. Invertebrates will be retained for the duration of their lives						
➤ Additional Organisms To Be Moved Continued From Line # 11							
Scientific Names of Organisms to be Moved	Classification (Order, Family, Other)	Life Stages	Number of Specimens	Shipped From	In U.S. Yes / No	Host Material Included	Approved (v)
34. Hadogenes troglodytes	Scorpiones, Hemiscorpidae	Mature	1	Alabama	☒ ☐	N/A	☒
35.					☐ ☐		
36.					☐ ☐		
37.					☐ ☐		
38.					☐ ☐		
39.					☐ ☐		
40.					☐ ☐		
41.					☐ ☐		

Address/description where invertebrates will be kept.

Any additional species can be listed on the remaining application pages (2 – 8).

Standards and Safe Guards of Permit: 1) All organisms must be shipped in sturdy, escape-proof containers. 2) Upon receipt, all packaging material and shipping containers shall be sterilized or destroyed immediately after removing organisms. 3) Organisms shall be kept only within the laboratory at the permittee's address. 4) No living organisms kept under this permit shall be removed from confined area except by prior approval from this office. 5) Without prior notice and during reasonable hours, authorized State Regulatory Officials shall be allowed to inspect the conditions under which the organisms are kept. 6) All organisms kept under this permit shall be destroyed at the completion of the intended use, and not later than the expiration date. 7) All necessary precautions must be taken to prevent escape. In the event of an escape, notify this office.

Under authority of Chapter 581.083, Florida Statutes (FS), and Rule Chapter 5B-57, Florida Administrative Code (FAC), permission is hereby granted to the applicant named above to move the organisms described, except as deleted, subject to the conditions stated on, or attached to, this application. This permit not valid unless signed by an official authorized representative of the department. Failure to comply with stipulations of this agreement may result in penalties as stipulated in Rule 5B-57.0010, FAC, and Section 581.211, FS. If disapproved, see Notice of Administrative Hearing on Page 8.

Standards and Safe Guards of Permit: 1). All organisms must be shipped in sturdy, escape-proof containers. 2). Upon receipt, all packaging material and shipping containers shall be sterilized or destroyed immediately after removing organisms. 3). Organisms shall be kept only within the laboratory at the permittee's address. 4). No living organisms kept under this permit shall be removed from confined area except by prior approval from this office. 5). Without prior notice and during reasonable hours, authorized State Regulatory Officials shall be allowed to inspect the conditions under which the organisms are kept. 6). All organisms kept under this permit shall be destroyed at the completion of the intended use, and not later than the expiration date. 7). All necessary precautions must be taken to prevent escape. In the event of an escape, notify this office.

Under authority of Chapter 181.083, Florida Statutes (FS), and Rule Chapter 18B-57, Florida Administrative Code (FAC), permission is hereby granted to the applicant named above to move the organisms described, except as deleted, subject to the conditions stated on, or attached to, this application. This permit not valid unless signed by an official authorized representative of the department. Failure to comply with stipulations of this agreement may result in penalties as stipulated in Rule 18B-57.0010, FAC, and Section 181.211, FS. If disapproved, see Notice of Administrative Hearing on Page 8.

Please note: Scientific names that are alphabetized and typed can be processed more quickly.

1) The scientific name should consist of the genus and species. Additional specimen information such as subspecies or color morph/trade name can also be added.

2) Classification should include the Order, Family or other respective taxonomic group (i.e. Coleoptera).

3) If applicable, please include the Life Stage(s). This could include but is not limited to: eggs, pupae, juvenile, adult.

4) The Number of Specimens should be included for each species listed on the application.

5) The location where each specimen was acquired or Shipped From should be include for each species listed on the application.

6) Select whether the species was acquired from out of country or In U.S.

7) Indicate if Host Material for the species will be included in the transport.

8) Do not enter information. This column is designated for the state reviewer. After review, the species designation will be listed as approved (✓), denied (D), conditional (C), or not regulated (NR) under **Approved (✓)**.

Please note: If the number of species exceeds the 8 pages, then please complete a second FDACS-08208 to be submitted alongside the first application.
