

S-300 EXTENDED ATTACK INCIDENT COMMANDER

Overview: This 24 hour course is designed to meet the training needs of the incident commander type 3 (ICT3). The focus is on the lessons of leadership and command as they relate to the ICT3 position. It is presented in participative lecture format with multiple tactical decision games for students to practice new knowledge. The seven instructional units cover Foundation Skills, Situational Awareness, Command and Control, Managing the Incident, Transitional Activities, Post-Fire Activities and a Final Simulation.

Objectives:

- Demonstrate an understanding of the concept of Command as it relates to the ICT3.
- Demonstrate effective foundation skills (leadership, risk management, and communications at the ICT3 level.
- Develop situational awareness of incident environment.
- Demonstrate effective command and control over a quickly assembled team in a time constrained and rapidly changing incident environment.
- Demonstrate the ability to manage an incident.
- Conduct post fire activities.

Prerequisites: Qualified as incident commander type 4 (ICT4) and task force leader (TFLD). **OR** Qualified as ICT4 and strike team leader and any two single resource boss positions – one must be crew (CRWB) or engine (ENGB). Satisfactory completion of pre-course work.
