

Florida Statewide Endangered and Threatened Plant Conservation Program Contact Information

The Florida Statewide Endangered and Threatened Plant Conservation Program may or may not be funded by USFWS in future years. This program is waiting for USFWS to provide more guidance on the program's future.

Please contact one or both Florida Forest Staff working with this program:

Program Coordinator: Mark Kiser, State Forest Ecologist, Florida Forest Service.

William.Kiser@FDACS.gov, 850-681-5885

Program Administrator: Michael Jenkins, Biologist III, Florida Forest Service.

Michael.Jenkins@FDACS.gov, 850-681-5876
