

Renewal Criteria for Certified Prescribed Burn Managers

FAC 5I-2.006(2)(f)

(f) Certification Renewal. A Certified Prescribed Burn Manager must satisfy the following requirements in order to retain certification.

1. Participation in a minimum of eight hours of FFS approved training every five years relating to the subject of prescribed fire, or participation in a FFS recognized Fire Council Meeting; and
2. The Certified Prescribed Burn Manager has submitted their certification number for two completed prescribed burns in the preceding five (5) years; or
3. Participation in five (5) burns and have this documented and verified in writing to the Forest Protection Bureau's Prescribed Fire Manager of the FFS by a current Certified Prescribed Burn Manager; or
4. Retaking the Florida Certified Prescribed Burn Manager Training Course in either format.
